### Band Parent Meeting

We will be having a very important Band Parent meeting for all parents (and students) of the 2009-10 Ardrey Kell Band on Thursday, June 4th at 7:00 pm in the AKHS Band Room. At this meeting we will be discussing all of the information about next year's Band as well as kicking off the Football Ad sales for next year. **Parents of rising 9th graders are especially encouraged to attend!**

### Band Camp 1

The schedule may be altered due to special circumstances. Activities will include inside rehearsals, outside marching drills and sectional rehearsals. Weather will of course be a factor so bring your instrument to all rehearsals. Hats, water containers and sun screen are required for drill rehearsals. Transportation to and from school is the responsibility of the student. **Anyone who is absent and does not clear it with me in advance may start the year off as a marching alternate!!!**

## DCI Show

We will be taking interested students to see the DCI Show in Charlotte at Memorial Stadium in uptown on Sunday, July 26th. Details will be given out at the first Band Camp. For more info, please call Mr. Shane in the Band room.

## Dress for Band Camp

All members are required to wear shorts (above the knee) and sneaker type shoes for drills. Hats are allowed and encouraged. Dress comfortable. At our first rehearsal you will receive your music, a band handbook, and be assigned a drill spot. You are responsible for all items issued to you and information presented. Please read all materials and share them with your parents. Failure to read required information shall not be considered as an excuse for anything. Please bring water containers, Gatorade, or some **non-carbonated** liquid to drills. Hats, sunglasses, and sun screen is also required for all outdoor rehearsals.
