Welcome to the Mighty Knight Band

As a part of the AKHS Band Program, not only will your student play music, but they will grow as individuals and become a part of a special group of students who represent Ardrey Kell High School as the “Mighty Knight Band.”

At Ardrey Kell we strive to provide a diverse musical experience for all our students. Musical ensembles and classes include:

- Concert Band
- Symphonic Band
- Wind Ensemble (by audition)
- Marching Band
- Color Guard & Winter Guard
- Jazz Band
- AP Music Theory

Marching Band is open to any Band student and does not require an audition. We encourage all new students to at least come to Band Camp and give it a try.

Marching Band is hard work, it is also fun and rewarding, and builds team spirit and leadership skills. Participation in Marching Band gives new students a distinct advantage over other new students, including building friendships with upperclassmen at the beginning of the school year.

Band Boosters

Band Boosters is the parent support group that assists the Band Director with the details of running the Band - organization, fundraising and transportation. Committed parent volunteers play an essential role in making our Band Program the success that it is. We welcome all volunteers and look forward to having you join us.
